

FedConTech *presents*

Seminar on Financial Horizon & Regulatory Complexity

5th October, 2016, Wednesday
2.30 pm to 5.30 pm

Venue : MariGold Hall, Grand Convention Centre
by GRT Hotels, T. Nagar, Chennai.

OVERVIEW

Indian growth story is now being driven by the open economic policies adopted by the Government of India in coordination with other regulators such as RBI, SEBI, IRDA etc. As policies are becoming open and liberal, the rules and regulations have increased multi fold with thrust on strict compliance, warranting holistic understanding and approach.
