SECTION - 1: BULK DEALS AND BLOCK DEALS

1.1 Bulk Deal¹

A “bulk” deal constitutes all transactions in a scrip (on an exchange) where the total quantity of shares bought/sold is more than 0.5% of the number of equity shares of the company listed on the exchange. The quantitative limit of 0.5% can be reached through one or more transactions executed during the day in the normal market segment.

Disclosures

- i. The disclosure shall be made with respect to all transactions in a scrip where total quantity of shares bought/sold is more than 0.5% of the number of equity shares of the company listed on the stock exchange.
- ii. The brokers shall disclose to the stock exchange the name of the scrip, name of the client, quantity of shares bought/sold and the traded price.
- iii. The disclosure shall be made by the brokers immediately upon execution of the trade.
- iv. The Stock exchanges shall disseminate the aforesaid information on the same day after market hours to the general public.

1.2 Block Deal²

Block deal is execution of large trades through a single transaction without putting either the buyer or seller in a disadvantageous position. For this purpose, stock exchanges are permitted to provide a separate trading window.

Block deal will be subject to the following conditions:

- i. The said trading window may be kept open for a limited period of 35 minutes from the beginning of trading hours i.e. the trading window shall remain open from 9.15 am to 9.50 am.³
- ii. The orders may be placed in this window at a price not exceeding $\pm 1\%$ from the ruling market price/previous day closing price, as applicable.
- iii. An order may be placed for a minimum quantity of 5,00,000 shares or minimum value of Rs.5 crore.

- iv. Every trade executed in this window must result in delivery and shall not be squared off or reversed.
- v. The stock exchanges shall disseminate the information on block deals such as the name of the scrip, name of the client, quantity of shares bought/sold, traded price, etc. to the general public on the same day, after the market hours.
- vi. Disclosure of trade details of "bulk deals" as specified in para 1.1 shall be continued to be made by the stock exchanges to the general public on the same day after the market hours.

All appropriate trading and settlement practices as well as surveillance and risk containment measures, etc., as applicable to the normal trading segment, shall be applicable and implemented in respect of this special window as well.

SECTION - 2: CIRCUIT FILTER / PRICE BANDS

2.1 Index based Market wide circuit filter⁴

These circuit breakers are used to stop adverse movements either way. The circuit breakers are applied at three stages of the index movement either way at 10%, 15% and 20%. The market wide circuit breakers would be triggered by movement of either BSE Sensex or the NSE S&P CNX Nifty whichever is breached earlier.

- i. In case of a 10% movement of either of these indices, there would be a 1 hour market halt if the movement takes place before 1 pm. In case the movement takes place at or after 1 pm but before 2:30 pm there will be a trading halt for ½ hour. In case the movement takes place at or after 2:30 pm there will be no trading halt at the 10% level and the market will continue trading.
- ii. In case of a 15% movement of either index, there will be a 2 hour halt if the movement takes place before 1 pm. If the 15% trigger is reached on or after 1 pm but before 2 pm, there will be a 1 hour halt. If the 15% trigger is reached on or after 2 pm the trading will halt for the remainder of the day.
- iii. In case of a 20% movement of the index, the trading will be halted for the remainder of the day.

The stock exchange on a daily basis shall translate the 10%, 15% and 20% circuit breaker limits of market-wide index variation based on the previous day's closing level of the index.⁵

Index based market-wide circuit breaker mechanism⁶

On the basis of recommendations of SMAC and TAC, stock exchanges are advised to strengthen the mechanism of index based market - wide circuit breaker as under:

- i. NSE and BSE shall compute their market-wide index (NIFTY and SENSEX respectively) after every trade in the index constituent stocks and shall check for breach of market-wide circuit breaker limits after every such computation of the market-wide index.
- ii. In the event of breach of market-wide circuit breaker limit, stock exchange shall stop matching of orders in order to bring about a trading halt as mandated above. All unmatched orders present in the system shall thereupon be purged by the stock exchange.

⁴ Circular No. SMDRPD/Policy/Cir-37 /2001 dated June 28, 2001

⁵ Amended vide Circular No. CIR/MRD/DP/25/2013 dated September 03, 2013.

⁶ Circular No. CIR/MRD/DP/02/2015 dated January 12, 2015

- iii. BSE and NSE shall implement suitable mechanism to ensure that all messages related to market-wide index circuit breakers are given higher priority over other messages. Further, the systems (including the network) for computation of market-wide index, checking for breach of circuit breaker limits and initiating message to stop matching of executable order and acceptance of fresh orders, shall not be used for any other purposes.
- iv. BSE and NSE shall include in the scope of their annual system audit a review of its index based market-wide circuit breaker mechanism with the view to identify improvements.

2.2 Scrip wise price bands

- i. In addition to the market wide index based circuit filters, there are individual scrip wise price bands of 20% either way, for all scrips in the compulsory rolling settlement except for the scrips on which derivatives products are available or scrips included in indices on which derivative products are available.
- ii. Appropriate individual scrip wise price bands upto 20% shall be applicable on those scrips on which no derivatives products are available but which are part of Index Derivatives.⁷

2.3 Resumption of trading after the halt with a pre-open call auction session⁸

- i. Post-observation of the trading halt, stock exchange shall resume trading in the Cash Market with a fifteen minutes pre-open call auction session.
- ii. Such pre-open call auction session shall be governed as per the provisions mandated vide SEBI circulars no. CIR/MRD/DP/21/2010 dated July 15, 2010, CIR/MRD/DP/32/2010 dated September 17, 2010; CIR/MRD/DP/6/2013 dated February 14, 2013 and CIR/MRD/DP/38/2013 dated December 19, 2013.

In order to accommodate such pre-open call auction session, the extant duration of the market halt shall be suitably reduced by fifteen minutes.

2.4 Dynamic Price Bands (earlier called Dummy Filters or Operating Range)⁹

- i. For scrips excluded from the requirement of price bands, stock exchanges have implemented a mechanism of dynamic price bands (commonly known as dummy filters or operating range) which prevents acceptance of orders

⁷ Amended vide Circular No. CIR/MRD/DP/04/2014 dated February 06, 2014

⁸ Amended vide Circular No. CIR/MRD/DP/25/2013 dated September 03, 2013

for execution that are placed beyond the price limits set by the stock exchanges. Such dynamic price bands are relaxed by the stock exchanges as and when a market-wide trend is observed in either direction.

- ii. It has been decided to tighten the initial price threshold of the dynamic price bands. Stock exchange shall set the dynamic price bands at 10% of the previous day's¹⁰ closing price for the following securities:
 - (a) Stocks on which derivatives products are available,
 - (b) Stocks included in indices on which derivatives products are available,
 - (c) Index futures,
 - (d) Stock futures.
- iii. Further, in the event of a market trend in either direction, the dynamic price bands shall be relaxed by the stock exchanges in increments of 5%. Stock exchanges shall frame suitable rules with mutual consultation for such relaxation of dynamic price bands and shall make it known to the market.

2.5 Trade controls in Normal Trading Session for Initial Public Offering (IPO) and Re-listed scrips¹¹

1. Trade Timing

The normal trading session for IPO and Re-listed scrips on their first day of trading shall commence only subsequent to conclusion of the Call Auction session for such scrip on BSE and NSE. The duration of the Call Auction session is prescribed vide SEBI circular no CIR/MRD/DP/01/2012 dated January 20, 2012.

- ii In case equilibrium price is not discovered in the Call Auction, the scrip shall continue to trade in call auction sessions until price is determined.

SECTION - 3: IMPLEMENTATION OF UNIFORM SECURITY SPECIFIC ACTION IN STOCK EXCHANGES

3.1 Uniform security specific measure¹²

All stock exchanges shall implement the security specific decisions taken by BSE/NSE such as transferring of scrips from rolling settlement to trade for trade segment and vice-versa, imposition of margins, suspension of trading, etc in cases where such securities are also listed and traded on those stock exchanges. For this purpose, all the stock exchanges shall obtain the necessary information regularly from the website(s) of BSE/NSE and concurrently implement the security specific decisions taken by BSE/NSE.

In the event of any stock exchange not able to implement the decisions taken by BSE/NSE with regard to particular scrip, such stock exchange(s) shall not make available trading in such scrip in the normal rolling settlement.

¹² Circular No. SEBI/MRD/SE/Cir- 12/2004 dated February 26, 2004

SECTION - 4: MARGIN TRADING

4.1 Margin trading¹³

SEBI had, vide Circular No. SMD/Policy/Cir-6 dated 7/5/97, clarified, inter alia, that borrowing and lending of funds by a trading member in connection with or incidental to or consequential upon the securities business would not be disqualified under rule/s 8(1)(f) & 8(3)(f) of Securities Contract (Regulations) Rules, 1957. In continuation of the said circular, member-brokers are allowed to provide margin trading facility to their clients, in the cash segment, subject to the following conditions:

4.2 Securities eligible for margin trading

SEBI vide circular dated March 11, 2003 has categorized the securities under 3 groups, namely, Group 1, Group 2 and Group 3. The securities having mean impact cost of less than or equal to 1 and having traded on at least 80% (+/-5%) of the days for the previous eighteen months, have been categorized as Group 1. The securities in Group 1 would be eligible for margin trading facility.

In addition to the Group 1 securities, all the securities which are offered in the Initial Public Offerings (IPOs) and which meet the conditions for inclusion in the derivatives segment of the Stock Exchanges would be eligible for Margin Trading Facility.¹⁴

4.3 Eligibility requirements for brokers to provide margin trading facility to clients

Only corporate brokers with a "net worth" of at least Rs.3.00 crore would be eligible to offer margin trading facility to their clients. The "net worth" for the purpose of margin trading facility would mean "Capital" (excluding preference share capital) plus free reserves less non allowable assets, i.e fixed assets, pledged securities, member's card, non-allowable securities, bad deliveries, doubtful debts and advances (including debts and advances overdue for more than 3 months or given to associates), pre-paid expenses, intangible assets and 30% of the marketable securities."

The broker shall submit to the stock exchange a half-yearly certificate, as on 31st March and 30th September of each year, from an auditor confirming the net worth (as specified in clause 4.3 above). Such a certificate shall be submitted not later than 30th April and 31st October of the year.

¹³ Circular No. SEBI/MRD/SE/SU/Cir-15/04 dated March 19, 2004

¹⁴ Circular No. MRD/DoP/SE/Cir-08/2005 dated March 4, 2005

4.4 No-objection certificate¹⁵

Before providing Margin Trading Facility to a client who has already availed of Margin Trading Facility from another broker, the broker is required to obtain a no-objection certificate in writing from the other broker. The other broker shall be required to convey his objection, if any, in writing, within a period of 21 days from the date of receipt of query from the broker, failing which the broker would be free to proceed with providing Margin Trading Facility to the client.

4.5 Agreement

The broker shall enter into an agreement with his client for providing the margin trading facility, on the lines of the model agreement, enclosed as Annexure 1. The broker/exchange may modify the agreement only for stipulating any additional or more stringent conditions, provided that no such modification shall have the effect of diluting any of the conditions laid down in the circular or in the model agreement.

4.6 Source of Funds for the broker for providing margin trading facility to his clients and maximum permissible borrowing by any broker

- i. For the purpose of providing the margin trading facility, a broker may use his own funds or borrow from scheduled commercial banks and/or NBFCs regulated by RBI. A broker shall not be permitted to borrow funds from any other source.
- ii. The broker shall not use the funds of any client for providing the margin trading facility to another client, even if the same is authorised by the client.
- iii. At any point of time, the total indebtedness of a broker for the purpose of margin trading shall not exceed 5 times of his net worth (calculated as stated at 4.3 above).
- iv. The “maximum allowable exposure” of the broker towards the margin trading facility shall be within the self-imposed prudential limits and shall not, in any case, exceed the borrowed funds and 50% of his “net worth”.¹⁶
- v. The term “exposure” will mean the aggregate outstanding margin trading amount in the books of the broker for all his clients. While providing the margin trading facility, the broker shall be prudent and also ensure that there is no concentration on any single client. In any case, the exposure to any single client at any point of time shall not exceed 10% of the broker’s

¹⁵ Circular No. MRD/DoP/SE/Cir-08/2005 dated March 4, 2005

¹⁶ Circular No. SEBI/MRD/SE/SU/Cir-16/04 dated March 31, 2004

lendable resources (i.e. borrowed funds for the purpose of margin trading + 50% of net-worth).¹⁷

- vi. While providing the margin trading facility, the broker shall be prudent and also ensure that there is no concentration on any single client. In any case, the exposure to any single client at any point of time shall not exceed 10% of the “total exposure” of the broker, (calculated as per para 4.6 (v) above).

4.7 Margin requirements

The initial and maintenance margin for the client shall be a minimum of 50% and 40% respectively, to be paid in cash. For this purpose;

- i. “initial margin” would mean the minimum amount, calculated as a percentage of the transaction value, to be placed by the client, with the broker, before the actual purchase. The broker may advance the balance amount to meet full settlement obligations.
- ii. “Maintenance margin” would mean the minimum amount, calculated as a percentage of the market value of the securities, calculated with respect to the last trading day’s closing price, to be maintained by the client with the broker.

When the balance deposit in the client’s margin account falls below the required maintenance margin, the broker shall promptly make margin calls. However, no further exposure can be granted to the client on the basis of any increase in the market value of the securities.

The exchange/broker shall have the discretion to increase the margins (as mentioned above) and in such a case, the margin call shall be made, as and when required.

Fixed deposits with banks and Bank Guarantees shall be treated as cash equivalents and shall be considered as acceptable form of initial and maintenance margins for the purpose of availing the Margin Trading Facility.¹⁸

4.8 Liquidation of securities by the broker in case of default by the client

The broker may liquidate the securities if the client fails to meet the margin call made by the broker or fails to deposit the cheques on the day following the day on which the margin call has been made or where the cheque deposited by the client has been dishonoured.

¹⁷ Circular No. SEBI/MRD/SE/SU/Cir-16/04 dated March 31, 2004

¹⁸ Circular No. MRD/DoP/SE/Cir-08/2005 dated March 4, 2005

The broker may also liquidate the securities in case the client's deposit in the margin account (after adjustment for mark to market losses) falls to 30% or less of the latest market value of the securities, in the interregnum between making of the margin call and receipt of payment from the client.

However, the broker shall not liquidate or use in any manner the securities of the client in any situation other than the ones mentioned above.

4.9 Maintenance of Records

The broker shall maintain separate client wise accounts of the securities purchased on margin trading with depositories and shall enable the client to observe the movement of securities from his account (through internet). The broker shall also maintain a separate record of details (including the sources) of funds used for the purpose of margin trading.

The books of accounts, maintained by the broker, with respect to the margin trading facility offered by it, shall be got audited on a half yearly basis. The broker shall submit an auditor's certificate to the exchange/s, within one month from the date of the half year ending 31st March and 30th September of a year certifying, inter alia, the extent of compliance with the conditions of margin trading facility.

SEBI and the stock exchange/s shall have the right to inspect the books of accounts and/or any other documents maintained by the broker with respect to the margin trading facility.

4.10 Disclosure of exposure to the Margin Trading Facility

The broker shall disclose to the stock exchange/s details on gross exposure including name of the client, Unique Identification Number (UIN) under the SEBI (Central Database of Market Participants) Regulations, 2003, name of the scrip and if the broker has borrowed funds for the purpose of providing margin trading facility, name of the lender and amount borrowed, on or before 12 noon on the following day.

The stock exchange/s shall disclose the scrip wise gross outstanding in margin accounts with all brokers to the market. Such disclosure regarding margin trading done on any day shall be made available after the trading hours on the following day, through its website.

The formats for such disclosures by the broker to the exchange and the exchange to the public are enclosed at Annexure 2 and 3 respectively.

The stock exchanges shall also put in place a suitable mechanism to capture and maintain all relevant details including member-wise, client-wise, scrip-wise

information and source of funds of the members, pertaining to margin trading on their exchange, both on daily as well as on cumulative basis.

4.11 Arbitration

The arbitration mechanism of the exchange would not be available for settlement of disputes, if any, between the client and broker, arising out of the margin trading facility. However, all transactions done on the exchange, whether normal or through margin trading facility, shall be covered under the arbitration mechanism of the exchange.

4.12 Usage of Investor Protection Fund and Trade/Settlement Guarantee Fund

The amounts lying in the aforesaid funds would not be available for settling any loss suffered in connection with the margin trading facility. However, the aforesaid funds will continue to be available for all transactions done on the exchange, whether normal or through margin trading facility.

4.13 General provisions

The brokers wishing to extend the facility of margin trading to their clients would be required to obtain prior permission from the exchange/s where the margin trading facility is proposed to be provided. The exchange shall have the right to withdraw this permission at a later date, after giving reasons for the same.

A broker should take adequate care and exercise due diligence before providing margin trading facility to any client. Any broker providing margin trading facility to a client shall ensure that the client has obtained a Unique Identification Number (UIN) under the SEBI (Central Database of Market Participants) Regulations, 2003.

A client will be allowed to obtain margin trading facility from one broker per exchange for buying securities in that exchange. To ensure this, it shall be obligatory on the part of every broker to,

- a) obtain a declaration from his client whether he has availed of any margin trading facility from any broker in any exchange, or whether his request for margin trading with any broker was rejected and if so, in both the cases, obtain the name of the broker and his registration number; and
- b) also verify the details from the concerned broker/s.

Before providing margin trading facility to a client who has already availed of margin trading facility from another broker in the same exchange, the broker shall ensure that the client has liquidated his outstanding in the margin trading

account with the other broker, and obtain a certificate to this effect in writing from that broker.

SECTION - 5: MARKET MAKER

5.1 Guidelines for Market Maker¹⁹

With the view to infuse liquidity in the market, the concept of market maker was proposed. Since the introduction of electronic trading and “order matching” system in all the stock exchanges there has been a reduction in transaction costs, speedier execution of trades and gains in liquidity. The volumes have risen a hundred fold in respect of many shares. Increase in trading volume on the exchanges, however, has not been reflected always in the liquidity of all the listed shares. There are a large number of shares that are not actively or frequently traded although many of them have some fundamental strength and intrinsic value. The introduction of market making facility for such shares could be a possible means to infuse liquidity in such shares. The guidelines for market maker as provided in the annexure are enumerated below.

Annexure

Over the past several years the securities market has witnessed a sea change. The market has become more modern in terms of infrastructure, adoption of best international practices and introduction of competition. With the maturity of the regulatory framework and increased market surveillance, the market has also become safer and investor is better protected. The extensive reforms introduced by SEBI over the last few years have enhanced the integrity, transparency and efficiency of the operations of the securities market. The introduction of electronic trading and “order matching” system in all the stock exchanges, have led to reduction in transaction costs, speedier execution of trades and gains in liquidity. The, spreads have dropped by a factor of 10 and volumes have risen a hundred fold in respect of many shares. Increase in trading volume on the exchanges, however, has not been reflected always in the liquidity of all the listed shares. There are a large number of shares that are not actively or frequently traded although many of them have some fundamental strength and intrinsic value. The introduction of market making facility for such shares could be a possible means to infuse liquidity in such shares.

In the year 1993 guidelines for the Market Makers were issued vide our circular no.SMD/SED/93/11362 dated August 05, 1993. However, the scheme did not elicit adequate response. With a view to study the concept of “Market Making” and to draft operational procedures for market making, eligibility criteria for Market Makers, risk containment measures, etc, SEBI constituted a Committee on March 24, 1998 under the chairmanship of Shri G P Gupta, then Chairman, UTI

and current Chairman and Managing Director of IDBI. The Committee submitted its report to SEBI in August 31, 1999.

The Market Maker would operate under the regulatory framework as envisaged and laid out herewith in these guidelines. The Exchange would act as a SRO for the purposes of monitoring and effective operations of the Market Makers. The Exchanges have been accorded flexibility to make modifications to the scheme to make it more attractive to the Market Maker to take up commitments under this scheme, however, the terms of selection of scrips, the capital adequacy norms and the risk containment measures such as the price bands and margins would not be altered from those stipulated in these guidelines.

5.1.1 Criterion for selection of scrips for Market Making

The stock exchanges shall formulate its own benchmarks for selecting the scrips for market making, however, the shares satisfying any of the following criteria would not be eligible for market making :-

- Shares included in the BSE Sensex of the Stock Exchange, Mumbai and the S&P CNX Nifty of the NSE;
- Share where the average number of trades is more than 50;
- Shares where the value of trades on a daily basis is more than Rs.10,00,000/-;
- Shares where the company is not in operation and the Networth erosion is beyond 50%

The list of scrips eligible for market making shall be reviewed by the exchanges so as to shift the scrips from one category to the other, after an observation period of two-three months to ensure permanence in the trend.

The market making would be on a voluntary basis for these shares. But, if Market Maker is not available for such shares, the share will continue to be traded under the existing system.

5.1.2 Exclusivity of Market Makers

If a share is eligible for market making and Market Makers are available, then, the share would trade only under a quote driven system and all orders must flow through Market Makers.

5.1.3 Number of Market Makers for each share

There would not be more than five Market Makers in any of the eligible shares on an exchange who will be selected on the basis of objective criteria to be evolved by the Exchange which would include capital adequacy, networth, infrastructure, minimum volume of business etc.

5.1.4 Qualifications for a registered Market Maker

Any member of the Exchange would be eligible to act as Market Maker provided he meets the criteria laid down by the exchange. The member brokers desirous of acting as Market Maker in the eligible scrips shall apply to the concerned stock exchange for registration as Market Makers.

5.1.5 The obligations and responsibilities of Market Makers

The Market Maker shall fulfil the following conditions to provide depth and continuity in trading the shares:

- (a) The Market Maker shall be required to provide a 2-way quote on a continuous basis;
- (b) The minimum depth of the quote shall be Rs.5,000/- or one market lot whichever is higher;(in case of demat shares, for which there is no market lot, the same market lot as existed in the physical segment would be applicable for this purpose.)
- (c) The quote shall be provided in such a way that the quotes are not absent from the screen for more than 30 minutes at a time;
- (d) Execution of the order on a continuous basis at the quoted price and quantity must be guaranteed by the Market Maker;
- (e) the Market Maker must give commitment to buy and sell shares upto a certain quantity in which they make markets;
- (f) The Market Maker will be eligible to change quotes even if no transaction has been executed at the displayed quote. In any case the obligation of the Market Maker will end at 1% less than the circuit filter limits;
- (g) The Market Maker may compete with other Market Makers for better quotes to the investors;
- (h) Once registered as a Market Maker, he has to start providing quotes within 5 trading days of registration and shall be subject to the guidelines laid down for market making by the exchange.
- (i) Once registered as a Market Maker, he has to mandatorily act in that capacity for a minimum period of three months.

5.1.6 Rights of the Market Maker

The Market Maker has the right to information about the share, in which he is making the market including the availability of trading and financial information, performance of the company in the last three years, etc. on a continuous basis.

5.1.7 Voluntary De-registration

The Market Makers may be allowed to de-register voluntarily from a particular

share(s) provided it has fulfilled its obligations for a minimum period of three months and a one-month notice is given to the exchange.

5.1.8 Compulsory De-registration

If a Market Maker fails to fulfil his obligations as a Market Maker for more than three consecutive trading days, he will automatically stand de-registered from that share and may not be permitted to act as a Market Maker for any other security for a minimum period of three months.

5.1.9 Dissemination of Information

- a) The exchange should disseminate a list of Market Makers in a share to the public
- b) Exchange should disseminate the price and volume of turnover in shares eligible for market making.

5.1.10 Number of Shares per Market Maker

The number of companies in whose shares a Market Maker would make market should be linked to his capital adequacy.

5.1.11 Risk Containment Measures and monitoring for Market Makers

Margins

All applicable margins should be levied and collected without any waiver/exemption.

Capital Adequacy

The exchanges would prescribe the capital adequacy requirement for its members commensurate with a number of companies in which Market Maker proposes to make market, the type of shares, and keeping in mind that the Market Maker works against the market and thus bear the brunt of the adverse trend. The monitoring of this requirement would be done by the exchange and any violation of this requirement would be liable for punitive action to be taken by the Disciplinary Action Committee (DAC) of the Exchange, which may also include monetary penalty apart from the trade restriction as decided by the DAC. An exchange may lay down additional criteria also for Market Makers as risk containment measures.

Price Band and Spreads

There would be no change to the circuit filters or price bands, which are imposed by SEBI from time to time for the shares in which market making is available.

The spreads between the bid and ask price would be as follows:-

For shares priced

Upto Rs 10	-	no limit on spreads
>Rs. 10 and upto Rs 20	-	10% maximum spread
>Rs. 20/- and upto Rs.50/	-	5% maximum spread
>Rs.50/- and upto Rs. 100/	-	4% maximum spread
>Rs. 100/-	-	3% maximum spread

5.2 Guidelines for Market Maker on Small and Medium Enterprise (SME) Exchange/ Separate Platform for of existing exchange having nationwide terminal²⁰

SEBI has put in a framework for setting up of new exchange or separate platform of existing stock exchange having nationwide terminals for SME (hereinafter referred to as the 'Exchange/ SME Exchange'). As per the framework, market making has been made mandatory in respect of all scrips listed and traded on SME exchange. The following guidelines shall be applicable to the Market Makers on this exchange.

5.2.1 Applicability

These guidelines are applicable to all the registered Market makers for making market in all scrips listed and traded on SME exchange.

5.2.2 Registration of the Market Maker

The Market Maker shall fulfil the following conditions to provide depth and continuity on this exchange:

²⁰Circular No. MRD/DP/14/2010 dated April 26, 2010 and Circular No.MRD/DSA/14/2010 dated April 26, 2010

भारतीय प्रतिभूति और विनिमय बोर्ड Securities and Exchange Board of India

- a) The Market Maker shall be required to provide a 2-way quote for 75% of the time in a day. The same shall be monitored by the stock exchange. Further, the Market Maker shall inform the exchange in advance for each and every black out period when the quotes are not being offered by the Market Maker.
- b) The minimum depth of the quote shall be Rs.1,00,000/- . However, the investors with holdings of value less than Rs 1,00,000 shall be allowed to offer their holding to the Market Maker in that scrip provided that he sells his entire holding in that scrip in one lot along with a declaration to the effect to the selling broker.
- c) Execution of the order at the quoted price and quantity must be guaranteed by the Market Maker, for the quotes given by him.
- d) There would not be more than five Market Makers for a scrip. These would be selected on the basis of objective criteria to be evolved by the Exchange which would include capital adequacy, networth, infrastructure, minimum volume of business etc.
- e) The Market Maker may compete with other Market Makers for better quotes to the investors;
- f) Once registered as a Market Maker, he has to start providing quotes from the day of the listing / the day when designated as the Market Maker for the respective scrip and shall be subject to the guidelines laid down for market making by the exchange
- g) Once registered as a Market Maker, he has to act in that capacity for a period as mutually decided between the Merchant Banker and the market maker.
- h) Further, the Market Maker shall be allowed to deregister by giving one month notice to the exchange, subject to (g) above.

5.2.4 Dissemination of Information

The exchange should disseminate the list of Market Makers for the respective scrip to the public.

5.2.5 Number of Shares per Market Maker

The number of companies in whose shares a Market Maker would make market should be linked to his capital adequacy as decided by the exchange.

5.2.6 Risk Containment Measures and monitoring for Market Makers

All applicable margins should be levied and collected without any waiver/exemption.

Capital Adequacy

The exchanges would prescribe the capital adequacy requirement for its members to commensurate with the number of companies which Market Maker proposes to make market. Further, the stock exchange may lay down additional criteria also for Market Makers as risk containment measures. The same shall be monitored by the stock exchange.

Monitoring

All the requirements with regard to market making shall be monitored by the stock exchange and any violation of these requirements would be liable for punitive action to be taken by the Disciplinary Action Committee (DAC) of the Exchange, which may also include monetary penalty apart from the trade restriction as decided by the DAC under intimation to the Merchant Banker.

Price Band and Spreads

The exchanges shall prescribe the maximum spread between bid and ask price. The exchange, may at its discretion also prescribe the price bands for the same. Further, in case of new issue the spread shall also be specified in the offer document with the prior approval of the exchange

5.3 Inventory Management for Market Makers of SME Exchange / Platform²¹

5.3.1 It has been decided to make applicable, limits on the upper side for market makers during market making process taking into consideration the issue size in the following manner

Issue Size	Buy quote exemption threshold (<i>including mandatory initial inventory of 5% of issue size</i>)	Re-entry threshold for buy quotes (<i>including mandatory initial inventory of 5% of issue size</i>)
Upto 20 Crore	25%	24%
20 Crore to 50 Crore	20%	19%
50 Crore to 80 Crore	15%	14%
Above 80 Crore	12%	11%

²¹ Circular No.MRD/DSA/31/2012 dated November 27, 2012

5.3.2 Further, the following shall apply to market makers while managing their inventory during the process of market making:

- i. The exemption from threshold shall not be applicable for the first three months of market making and the market maker shall be required to provide two way quotes during this period irrespective of the level of holding.
- ii. Threshold for market making as prescribed will be inclusive of mandatory inventory of 5% of issue size at the time of allotment in the issue.
- iii. Any initial holdings over and above such 5% of issue size would not be counted towards the inventory levels prescribed.
- iv. Apart from the above mandatory inventory, only those shares which have been acquired on the platform of the exchange during market making process shall be counted towards the Market Maker's threshold.
- v. Threshold limit will take into consideration, the inventory level across market makers.
- vi. The market maker shall give two way quotes till he reaches the upper limit threshold, thereafter he has the option to give only sell quotes.
- vii. Two way quotes shall be resumed the moment inventory reaches the prescribed re-entry threshold.
- viii. In view of the market maker obligation, there shall be no exemption/threshold on downside. However, in the event the market maker exhausts his inventory through market making process on the platform of the exchange, the concerned stock exchange may intimate the same to SEBI after due verification.

SECTION - 6: NEGOTIATED DEALS

6.1 Negotiated Deals²²

- i. All negotiated deals (including cross deals) **shall not be permitted** except for those which are executed on the screens of the exchanges in the price and order matching mechanism of the exchanges just like any other normal trade. Provided, however, that Foreign Institutional Investors (FIIs) can avail of the provisions of the special bargains on the exchanges in accordance with their bye-laws or obtain suitable exemptions from exchanges for purchases or sales between FIIs in such companies where the ceiling of FII investment of 24% or 30 % as the case may be, has been reached.
- ii. Negotiated deals in listed corporate debt securities shall not be permitted and all such trades will have to be executed on the price and order matching mechanism of the stock exchanges as in the case of equities.
- iii. Government debt securities and money market instruments are under the regulatory jurisdiction of RBI and do not fall within the purview of SEBI. Therefore the aforesaid decision will not apply to such securities.
- iv. Exemptions would also be granted for dis-investment of Public Sector Enterprises by **SEBI on a case to case basis.**²³
- v. No Exchange shall allow the 'All or None' or 'Minimum Fill' order facility in their trading system.²⁴

SECTION - 7: ODD LOT

7.1 Trading and Settlement of trades in dematerialised securities²⁵

The stock exchanges should provide an additional trading window, which would give one time facility for small investors to sell physical shares (which are in compulsory demat list) not exceeding 500 shares in number irrespective of their value.

This facility shall be available only to registered holders of shares. The shares standing in the name of individuals/HUF shall alone constitute a good delivery. The selling/delivering member must necessarily be the introducing member. The buyers of the shares shall not be permitted to reintroduce the shares in the market in the physical form. This facility should be made available on all trading days.

²⁵ Circular No. SMDRP/Policy/Cir.- 21/99 dated July 08, 1999

SECTION - 8: PERMANENT ACCOUNT NUMBER

8.1 Mandatory PAN requirement for transaction in Cash Market²⁶

PAN shall be mandatory for all entities/ persons who are desirous of transacting in the securities market.

The Stock exchanges shall ensure that the members of their exchanges shall;

- i. Collect copies of PAN cards issued to their existing as well as new clients by the Income Tax Department and maintain the same in their record after verifying with the original.
- ii. Cross-check the aforesaid details collected from their clients with the details on the website of the Income Tax Department i.e. <http://incometaxindiaefiling.gov.in/challan/enterpanforchallan.jsp>.
- iii. Upload details of PAN so collected to the Exchanges as part of unique client Code.

8.2 PAN as a sole identification number for all transactions in the securities market²⁷

In light of the Hon'ble Finance Minister's announcement in the Union Budget for the year 2007-08, and in order to strengthen the (Know Your Client) KYC norms and identify every participant in the securities market, it has been decided that PAN would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction.

8.3 In case of Central and State Govt., and officials appointed by courts²⁸

In the view of Rule 114 C (1)(c) of Income Tax Rules, PAN may not be insisted in the case of securities market transactions undertaken on behalf of Central Government and State Government, and by the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government).

8.4. Exemptions for Investors in Sikkim²⁹

In the light of the observations of the Hon'ble High Court of Sikkim in its Order dated March 31, 2006 as forwarded by the Sikkim Chamber of Commerce vide

their letter No.See/52/06-07 dated May 11, 2006, the investors residing in the State of Sikkim are exempted from the mandatory requirement of PAN for-

- (a) DP
- (b) Broker
- (c) MF

However, this would be subject to the DP / Broker / MF verifying the veracity of the claim of the investors that they are residents of Sikkim, by collecting sufficient documentary evidence in support of their address as provided in the SEBI Circular No.MRD/DoP/Dep/Cir-29/2004 dated August 24, 2004.

8.5 In case of FIIs/Institutional Clients³⁰

The custodians are advised to verify the PAN details of the institutional clients with the original PAN card and provide copy of such verified PAN details to the brokers duly certified. This would be applicable in respect of institutional clients, namely, FIIs, MFs, VCFs, FVCIs, Scheduled Commercial Banks, Multilateral and Bilateral Development Financial Institutions, State Industrial Development Corporations, Insurance Companies registered with IRDA and Public Financial Institution as defined under section 4A of the Companies Act, 1956.

As regards proof of address of FIIs/sub-accounts, a copy of the Power of Attorney (POA) given by the FIIs/FII sub-accounts to the Custodians (which are duly notarized and/or apostiled or consularised) that gives the registered address of the FIIs/sub-accounts can be accepted as proof of address.

8.6 In case of UN entities and multilateral agencies which are exempted from paying taxes/ filling tax returns in India³¹

UN entities/ multilateral agencies which are exempt from paying taxes/filling tax returns in India are exempt from the mandatory requirement of PAN, subject to the DPs collecting documentary evidence in support of such claim of investors.

8.7 In case of HUF, Association of Persons (AoP), Partnership Firm, unregistered Trust, Registered Trust, Corporate Bodies, minors, etc.³²

The BO account would be in the name of natural persons, PAN of the respective HUF, AoP, Partnership Firm, Unregistered Trust, etc shall be obtained.

³² Circular No. MRD/DoP/Dep/Cir-09/06 dated July 20, 2006

As regards Registered Trust, Corporate Bodies and minors, PAN of the respective entities shall be obtained when accounts are opened in their respective names.

8.8 In case of Slight mismatch in PAN card details as well as difference in maiden name and current name (predominantly in the case of married women) of the investors³³

DPs can collect the PAN card proof as submitted by the account holder. However, this would be subject to the DPs verifying the veracity of the claim of such investors by collecting sufficient documentary evidence in support of the identity of the investors as provided in the SEBI Circular No. MRD/DoP/Dep/Cir-29/2004 dated August 24, 2004.

8.9 In case of NRI/PIOs³⁴

The Directorate of Income Tax (Systems), has issued guidelines, facilitating the citizens of India residing outside India, Foreign citizens and other persons (like companies/ trusts/ firms) having no office of their own in India to obtain PAN based on the copy of their passport as ID proof and a copy of passport/ bank account in the country of residence as address proof.

In the light of the above, the facility of opening a “limited purpose BO/ Trading account” by them without PAN has been withdrawn.

8.10 PAN requirement for transfer of shares in physical form³⁵ & ³⁶

As regards transfer of shares in physical form of listed companies, for securities market transactions and off-market/ private transactions, it shall be mandatory for the transferee(s) to furnish copy of PAN card to the Company/RTAs for registration of such transfer of shares.

It shall be also be mandatory to furnish a copy of PAN in the following cases -

- a. Deletion of name of the deceased shareholder(s), where the shares are held in the name of two or more shareholders.
- b. Transmission of shares to the legal heir(s), where deceased shareholder was the sole holder of shares.

In case of mismatch in PAN card details as well as difference in maiden name and current name (in case of married women) of the investors -

The RTAs can collect the PAN card as submitted by the transferee(s). However, this would be subject to the RTAs verifying the veracity of the claim of such transferee(s) by collecting sufficient documentary evidence in support of the identity of the transferee(s) as provided for at para 2 in the SEBI circular no. MRD/DoP/Dep/Cir-29/2004 dated August 24, 2004 read with SEBI circular no. MRD/DoP/Cir-08/2007 dated June 25, 2007.

SECTION - 9: PROPRIETARY TRADING

9.1 Disclosure of Proprietary Trading by Broker to Client³⁷

With a view to increase the transparency in the dealings between the broker and the client, every broker shall disclose to his client whether he does client based business or proprietary trading as well.

- i. The broker shall disclose the aforesaid information to his existing clients within a period of one month from the date of this circular.
- ii. Further, the broker shall disclose this information upfront to his new clients at the time of entering into the Know Your Client agreement.

In case of a broker who at present does not trade on proprietary account, chooses to do so at a later date, he shall be required to disclose this to his clients before carrying out any proprietary trading.

9.2 Pro-account Trading Terminal³⁸

Pro-account should be used by the broker to place orders of member of the broking firm. It has been observed that certain members are putting large number of orders on pro-account from various locations rather than using "pro-account" at the terminals located at the corporate office from where the owner / directors normally function. It has further been observed that these trades executed from various locations under "pro-account" are, many a time, transferred subsequently to the respective clients in the back office of the members. This practice is in clear violation of the requirement of putting the orders of clients under the appropriate client code through trading terminals.

In order to prevent any misuse if this facility, if any, stock exchanges should ensure the following:-

- i. Facility of placing orders on "pro-account" through trading terminals shall be extended only at one location of the members as specified / required by the members
- ii. Trading terminals located at places other than the above location shall have a facility to place orders only for and on behalf of a client by entering client code details as required / specified by the Exchange / SEBI.

- iii. In case any member requires the facility of using “pro-account” through trading terminals from more than one location, such member shall be required to submit an undertaking to the stock exchange stating the reason for using the “pro-account” at multiple locations and the stock exchange may, on case to case basis after due diligence, consider extending the facility of allowing use of “pro-account” from more than one location.

SECTION - 10: SHORT SELLING AND SECURITIES LENDING AND BORROWING SCHEME

10.1 Broad Framework for Short Selling and Securities Lending and Borrowing³⁹

Pursuant to the recommendations of the Secondary Market Advisory Committee (SMAC) of SEBI it was decided to permit all classes of investors to short sell. In order to provide a mechanism for borrowing of securities to enable settlement of securities sold short, it has also been decided to put in place a full-fledged securities lending and borrowing (SLB) scheme for all market participants in the Indian securities market under the over-all framework of "Securities Lending Scheme, 1997" of SEBI. The Securities Lending Scheme was notified by SEBI on February 06, 1997. The guidelines for this facility of short selling and framework for securities lending and borrowing are specified in *Annexure 1 and 2*.

To enable the mechanism of short selling, the facility of securities lending and borrowing (SLB) scheme, was put in place for all market participants, under the overall framework of "Securities Lending Scheme, 1997" of SEBI.

10.2 Annexure 1 - Broad framework for short selling

1. "Short selling" shall be defined as selling a stock which the seller does not own at the time of trade.
2. All classes of investors, viz., retail and institutional investors, shall be permitted to short sell.
3. Naked short selling shall not be permitted in the Indian securities market and accordingly, all investors would be required to mandatorily honour their obligation of delivering the securities at the time of settlement.
4. No institutional investor shall be allowed to do day trading i.e., square-off their transactions intra-day. In other words, all transactions would be grossed for institutional investors at the custodians' level and the institutions would be required to fulfill their obligations on a gross basis. The custodians, however, would continue to settle their deliveries on a net basis with the stock exchanges.
5. The stock exchanges shall frame necessary uniform deterrent provisions and take appropriate action against the brokers for failure to deliver

³⁹ Circular No. MRD/DoP/SE/Dep/Cir- 14 /2007 dated December 20, 2007.

securities at the time of settlement which shall act as a sufficient deterrent against failure to deliver.

6. A scheme for Securities Lending and Borrowing (SLB) shall be put in place to provide the necessary impetus to short sell. The introduction of a full-fledged securities lending and borrowing scheme shall be simultaneous with the introduction of short selling by institutional investors.
7. The securities traded in F&O segment shall be eligible for short selling. SEBI may review the list of stocks that are eligible for short selling transactions from time to time.
8. The institutional investors shall disclose upfront at the time of placement of order whether the transaction is a short sale. However, retail investors would be permitted to make a similar disclosure by the end of the trading hours on the transaction day.
9. The brokers shall be mandated to collect the details on scrip-wise short sell positions, collate the data and upload it to the stock exchanges before the commencement of trading on the following trading day. The stock exchanges shall then consolidate such information and disseminate the same on their websites for the information of the public on a weekly basis. The frequency of such disclosure may be reviewed from time to time with the approval of SEBI.

10.3 Annexure 2 - Broad framework for securities lending and borrowing

1. The stock exchanges shall put in place, a full-fledged securities lending and borrowing (SLB) scheme, within the overall framework of "Securities Lending Scheme, 1997" (the scheme), that is open for all market participants in the Indian securities market.
2. To begin with, the SLB shall be operated through Clearing Corporation/Clearing House of stock exchanges having nation-wide terminals who will be registered as Approved Intermediaries (AIs) under the SLS, 1997.
3. The SLB shall take place on an automated, screen based, order-matching platform which will be provided by the AIs. This platform shall be independent of the other trading platforms.

भारतीय प्रतिभूति और विनिमय बोर्ड
Securities and Exchange Board of India

4. In addition to the scrips on which derivatives contracts are available, scrips that fulfill the following criteria shall be considered eligible for SLB:⁴⁰
- a. Scrip classified as 'Group I security' as per SEBI circular MRD/DoP/SE/Cir-07/2005 dated February 23, 2005;
- AND
- b. Market Wide Position Limit (MWPL) of the scrip, as defined at para 12 (a) of Annexure 2 of the MRD/DoP/SE/Dep/Cir-14/2007 dated December 20, 2007, shall not be less than Rs.100 crores;
- AND
- c. Average monthly trading turnover in the scrip in the Cash Market shall not be less than Rs.100 crores in the previous six months.
5. Stock exchanges shall review the scrips eligible for SLB on a half-yearly basis. In the event a scrip fails to meet the eligibility criteria, no new SLB transaction shall be allowed in the scrip from the next trading day. However, the existing contracts in such scrips shall be allowed to continue till expiry.⁴¹
6. All categories of investors including retail, institutional etc. will be permitted to borrow and lend securities. The borrowers and lenders shall access the platform for lending/borrowing set up by the AIs through the clearing members (CMs) (including banks and custodians) who are authorized by the AIs in this regard.
7. The Authorised Intermediary (AIs) shall enter into an agreement with Clearing Members (CMs) for the purpose of facilitating lending and borrowing of securities. The agreement shall specify the rights, responsibilities and obligations of the parties to the agreement. The agreement shall include the basic conditions for lending and borrowing of securities as prescribed under SLB framework. Further, the exact role of AIs/CMs vis-à-vis the clients shall be laid down in the agreement. AIs shall ensure that there shall not be any direct agreement between the lender and the borrower. In addition to that, AIs may also include suitable conditions in the agreement to have proper execution, risk management and settlement of lending and borrowing transactions with clearing member and client. The AIs shall frame a rights and obligations document laying down the

rights and obligation of CMs and clients for the purpose of lending and borrowing of securities. The rights and obligation document shall be mandatory and binding on the CMs and the clients for executing trade in the SLB framework.⁴²

8. The AIs shall allot a unique ID to each client which shall be mapped to the Permanent Account Number (PAN) of the respective clients. The AIs shall put in place appropriate systemic safeguards to ensure that a client is not able to obtain multiple client IDs.
9. The tenure of contracts in SLB may be upto a maximum period of 12 months. The Approved Intermediary (Clearing corporation/ Clearing House) shall have the flexibility to decide the tenure (maximum period of 12 months).⁴³
10. The settlement cycle for SLB transactions shall be on T+1 basis. The settlement of lending and borrowing transactions shall be independent of normal market settlement.
11. The settlement of the lending and borrowing transactions shall be done on a gross basis at the level of the clients i.e. no netting of transactions at any level will be permitted.
12. AIs would frame suitable risk management systems to guarantee delivery of securities to borrower and return of securities to the lender. In the case of lender failing to deliver securities to the AI or borrower failing to return securities to the AI, the AI shall conduct an auction for obtaining securities. In the event of exceptional circumstances resulting in non-availability of securities in auction, such transactions would be financially closed-out at appropriate rates, which may be more than the rates applicable for the normal close-out of transactions, so as to act as a sufficient deterrent against failure to deliver securities.
13. Position limits at the level of market, CM and client shall be decided from time to time by AIs in consultation with SEBI. To begin with (a) the market-wide position limits for SLB transactions shall be 10% of the free-float capital of the company in terms of number of shares (b) No clearing member shall have open position of more than 10% of the market-wide position limits or Rs. 50 crore (base value), whichever is lower (c) For all

institutional investors,⁴⁴ , the position limits shall be the same as of a clearing member (d) The client level position limits shall be not more than 1% of the market-wide position limits.

14. There shall be no lending/borrowing activity during the periods of corporate action in the security and shall be disclosed by AI to the market.
15. Details of treatment of corporate actions during the tenure, such as Dividend, stock split etc., are specified as below:⁴⁵
 - a. Dividend: The dividend amount would be worked out and recovered from the borrower on the book closure/ record date and passed on to the lender.⁴⁶
 - b. Stock split: The positions of the borrower would be proportionately adjusted so that the lender receives the revised quantity of shares.
 - c. Other corporate actions such as bonus/ merger/ amalgamation / open offer etc: The transactions would be foreclosed from the day prior to the ex-date. The lending fee would be recovered on a pro-rata basis from the lender and returned to the borrower.
16. Any borrowing/lending and return of securities would not amount to purchase/disposal/transfer of the same for the purpose of compliance with the extant FDI/FII limits and the norms regarding acquisition of shares/disclosure requirements specified under the various Regulations of SEBI.
17. Adequate systems shall be put in place by the stock exchanges/Depositories to distinguish the SLB transactions from the normal market transactions in the demat system.
18. AIs shall provide suitable arbitration mechanism for settling the disputes arising out of the SLB transactions executed on the platform provided by them.
19. AIs shall disseminate in public domain, the details of SLB transactions executed on the platform provided by them and the outstanding positions

on a weekly basis. The frequency of such disclosure may be reviewed from time to time with the approval of SEBI.

20. The time for SLB session may be extended to the normal trade timings of 9:15 am to 3:30 pm.^{47,48}
21. Risk Management
 - a. With regard to risk management in SLB, it is advised that common risk management practices shall be followed by stock exchanges for SLB. It is reiterated that the exchanges should ensure that the risk management framework strikes a balance between ensuring commercial viability of SLB transactions and ensuring adequate and proper risk management. Exchanges should satisfy themselves regarding the adequacy of the risk management system.
 - b. The collateral to be accepted for meeting margin obligations related to SLB transactions shall be in the same form as applicable in the Cash Market.⁴⁹
22. The lender / borrower shall be provided with a facility for early recall / repayment of shares.⁵⁰
23. In case the borrower fails to meet the margin obligations, the Approved Intermediary (AI) shall obtain securities and square off the position of such defaulting borrower, failing which there shall be a financial close-out.
24. In case lender recalls the securities anytime before completion of the contract, the AI on a best effort basis shall try to borrow the security for the balance period and pass it onward to the lender. The AI will collect the lending fee from the lender who has sought early recall.
25. In case of early recall by the lender, the original contract between the lender and the AI will exist till the contract with the new lender for the balance period is executed and the securities returned to the original lender.
26. In case of early repayment of securities by the borrower, the margins shall be released immediately on the securities being returned by the borrower to the AI. The AI shall on a best effort basis, try to onward lend the securities

and the income arising out of the same shall be passed on to the borrower making the early repayment of securities.

27. In case AI is unable to find a new borrower for the balance period, the original borrower will have to forego lending fee for the balance period.
28. In case of early recall by lender or early repayment of securities by borrower, the lending fee for the balance period shall be at a market determined rate.

10.4 Operationalisation of Short Selling and Securities Lending and Borrowing⁵¹

The broad framework for short selling by institutional investors and a full fledged securities lending and borrowing scheme for all market participants were operationalised with effect from April 21, 2008.

10.5 Introduction of roll-over facility⁵²

10.5.1 Any lender or borrower who wishes to extend an existing lent or borrow position shall be permitted to roll-over such positions i.e. a lender who is due to receive securities in the pay out of an SLB session, may extend the period of lending. Similarly, a borrower who has to return borrowed securities in the pay-in of an SLB session, may, through the same SLB session, extend the period of borrowing. The roll-over shall be conducted as part of the SLB session.

10.5.2 Rollover shall not permit netting of counter positions, i.e. netting between the 'borrowed' and 'lent' positions of a client.

10.5.3 Roll-over shall be available for a period of 3 months i.e. the original contract plus 2 rollover contracts.

10.6 Introduction of Liquid Index Exchange Traded Funds (ETFs) under the SLB scheme

10.6.1 Liquid Index ETFs shall be eligible for trading in the SLB segment.

10.6.2 For the purposes of this circular, an Index ETF shall be deemed 'liquid' provided the Index ETF has traded on at least 80% of the days over the

SECTION - 11: SPOT AND OFF-THE-FLOOR TRANSACTIONS⁵³

11.1 Spot and Off-the-Floor transactions

With regard to reporting of transaction both spot and off-the floor:

- i. Brokers are required to report all transactions done on a spot basis on the same day to the exchange.
- ii. Brokers are required to report on the same day all transactions adjusted in their books -whether between two clients or whether between a client and the broker as a principal to the exchange.

⁵³ Circular No. SMD/RCG/CIR/(BKG)/293/95 dated March 14, 1995

SECTION - 12: SECURITIES TRANSACTION TAX

12.1 Implementation of Securities Transaction Tax⁵⁴

As per Union Budget for 2004-2005 Securities Transaction Tax (STT) shall be levied on all transactions done on the stock exchange.

The stock exchanges have been entrusted with the responsibility of levying, collection and remittance of the STT on all transactions from the date of notification by the Government of India. The Government of India will have to ensure the necessary systems and procedures are put in place for proper implementation as per STT rules, September 28, 2004, notified by the government.

No stock exchange shall permit trading activity unless it implements necessary software and procedures for the levy, collection and remittance of STT and that the MDs/EDs/Administrators of the respective exchanges certify to the effect that necessary systems and procedures are in place for the said purpose.

⁵⁴ Circular No. MRD/DoP/SE/Cir-28/2004 dated August 23, 2004

SECTION - 13: TIME STAMPING OF ORDERS

13.1 Time Stamping of Orders⁵⁵

Broker member(s) have to maintain record of time when the client places the order and reflect the same in contract note along with the time of execution of the order.

⁵⁵ Circular No. SMD/POLICY/IECG/ 1 - 97 dated February 11, 1997

SECTION - 14: TRADING IN GOVERNMENT SECURITIES

14.1 Government Securities⁵⁶

Trading in government securities can be done in demat using Subsidiary General ledger (SGL), by entities who have an account with the RBI. These entities are allowed to open Constituent Subsidiary General Ledger (CSGL) accounts on behalf of their client in order to facilitate trading of government securities in the demat form. RBI has mentioned in detail steps for eliminating trading of government securities in the physical form.

Reserve Bank of India has been encouraging holding of government securities in the dematerialized mode in the following ways:

- All entities having a Subsidiary General Ledger (SGL) account with RBI are allowed to open Constituent Subsidiary General Ledger (CSGL) accounts on behalf of their clients.
- Although being non-banks, depositories (NSDL/CDSL) and organisations such as SHCIL have been provided an additional SGL account to open CSGL accounts on behalf of their clients.
- The cost of postage incurred by the depositories on remitting interest and redemption proceeds is being reimbursed by RBI so as to encourage dematerialized holding and retail participation in Gilts.
- Guidelines have been issued to the banks prescribing the safeguards to be adopted for maintenance of CSGL accounts.

To impart transparency in government securities traded by clients (through CSGL accounts), a special feature has been incorporated in the Negotiated Dealing System (NDS) for reporting and settlement of such trades. Provision has also been made in the NDS for giving quotes on behalf of clients i.e. CSGL account holders.

SECTION - 15: UNIQUE CLIENT CODE

15.1 Unique Client Code⁵⁷

It shall be mandatory for the broker to use unique client code for all clients. For this purpose the broker shall collect and maintain in their back office the Permanent Account Number (PAN) allotted by the Income Tax Department for all their clients.

In case of other entities -

1. Brokers shall verify the documents with respect to the unique code retain a copy of the document.
2. The brokers shall also be required to furnish the above particulars of their clients to the stock exchanges/clearing corporations and the same would be updated on a monthly basis. Such information for a specific month should reach the exchange within 7 working days of the following month.⁵⁸
3. The stock exchanges shall be required to maintain a database of client details submitted by brokers. Historical records of all quarterly submissions shall be maintained for a period of 7 years by the exchanges.

15.2 Unique Client Code for Mutual Funds and FIIs⁵⁹

MFs and the FIIs shall enter the unique client codes pertaining to the parent MF and parent FII at the order entry level and do allocation to the individual schemes of the MFs and sub-accounts of the FIIs in the post closing session.

15.3 Modification of Client Codes of Non-institutional Trades Executed on Stock Exchanges (All Segments)

15.3.1 Modification of Client Codes

Stock Exchanges may allow modifications of client codes of non-institutional trades only to rectify a genuine error in entry of client code at the time of placing / modifying the related order in all segments (derivatives as well as cash).

The following shall be classified as genuine errors for the purpose of client code modification:

⁵⁷ Circular No. SMDRP/Policy/CIR-39/2001 dated July 18, 2001

⁵⁸ Circular no. SEBI/MRD/SE/Cir-34 /2003/29/09 dated September 29, 2003

⁵⁹ Circular No. SEBI/SMD/SE/11/2003/31/03 dated March 31, 2003

Circular No. MRD/DoP/SE/Cir- 35/2004 dated October 26, 2004

- a. Error due to communication and/or punching or typing such that the original client code/name and the modified client code/name are similar to each other.
- b. Modification within relatives ('Relative' for this purpose would mean as defined under Companies Act, 1956).

If a Stock Exchange wishes to allow trading members to modify client codes of non-institutional trades, it shall:

- a. Set up a mechanism to monitor that the trading members modify client codes only to rectify a genuine error.
- b. Ensure that modification of client codes is covered in the internal audit of trading members prescribed by SEBI through its circular No. MRD/DMSCir-29/2008 dated October 21, 2008.

15.3.2 Penalty Structure

- i. The Stock Exchanges shall levy a penalty from trading members and credit the same to its Investor Protection Fund as under:

'a' as % of 'b'	Penalty as % of 'a'
≤ 5	1
> 5	2

Where,

a = Value (turnover) of non-institutional trades where client codes have been modified by a trading member in a segment during a month.

b = Value (turnover) of non-institutional trades of the trading member in the segment during the month.

- ii. The Stock Exchange shall conduct a special inspection of the trading member to ascertain whether the modifications of client codes are being carried out only to rectify genuine errors as mentioned above, if 'a' as a % of 'b', as defined above, exceeds 1% during a month and take appropriate disciplinary action, if any deficiency is observed.

- iii. Exemption from penalty: Shifting of trades to the error account of broker would not be treated as modification of client code, provided the trades in error account are subsequently liquidated in the market and not shifted to some other code.

Further, brokers shall disclose the codes of accounts which are classified as 'error accounts' to the Exchanges. Each broker should have a well documented error policy approved by the management of the broker. Exchanges shall periodically review the trades flowing to the error accounts of the brokers.

SEBI shall examine implementation of the provisions mentioned above under Section 12.8 during inspection of the Stock Exchanges.

15.3.3 Waiver of Penalty⁶⁰

- i. Stock exchanges may waive penalty for a client code modification where stock broker is able to produce evidence to the satisfaction of the stock exchange to establish that the modification was on account of a genuine error.
- ii. Not more than one such waiver per quarter may be given to a stock broker for modification in a client code. Explanation: If penalty waiver has been given with regard to a genuine client code modification from client code AB to client code BA, no more penalty waivers shall be allowed to the stock broker in the quarter for modifications related to client codes AB and BA.
- iii. Proprietary trades shall not be allowed to be modified as client trade and vice versa.
- iv. Stock exchanges shall submit a report to SEBI every quarter regarding all such client code modifications where penalties have been waived.

Stock exchanges shall undertake stringent disciplinary actions against stock brokers who undertake frequent client code modifications.

SECTION - 16: TRANSACTION CHARGES BY THE STOCK EXCHANGES.⁶¹

- 16.1** Transaction charges are being levied by the stock exchange on the trades executed on their trading platform.
- 16.2** Stock exchanges, while revising such transaction charges, are advised to ensure that:
- a) The stock exchange system is capable of handling additional load.
 - b) It does not affect the existing risk management system.
 - c) It does not favour selective trades or selective category of investor.
 - d) It does not encourage generation of artificial demand.
 - e) It does not result in any market irregularities.
 - f) It is uniformly applied to trades of similar nature.
 - g) It is imposed in fair and transparent manner.

⁶¹ Circular No MRD/DoP/SE/Cir-14/2009 dated October 14, 2009

SECTION - 17: PRESERVATION OF RECORDS⁶²

- 17.1** In supersession to SEBI circular no. SEBI/MRD/SE/Cir-15/2005 dated August 4, 2005 and SEBI/MRD/SE/Cir-23/05 dated December 22, 2005, Rules 14 and 15 of Securities Contracts (Regulation) Rules, 1957, require every recognized stock exchange and its members to maintain and preserve the specified books of account and documents for a period ranging from two years to five years. As per regulation 18 of SEBI (Stock Brokers & Sub-brokers) Regulations, 1992, every stock broker shall preserve the specified books of account and other records for a minimum period of five years. In case such documents are maintained in electronic form, provisions of Information Technology Act, 2000 in this regard shall be complied with.
- 17.2** Further, enforcement agencies like CBI, Police, Crime Branch etc. collect copies of the various records/documents during the course of their investigation. Therefore if a copy is taken by such enforcement agency either from physical or electronic record then the respective original is to be maintained till the trial or investigation proceedings have concluded.

SECTION - 18: CALL AUCTION

18.1 Call Auction in Pre-Open Session⁶³

1. The issue regarding call auction and its use in various session, including pre-open session was deliberated in Secondary Market Advisory Committee (SMAC). Based on the recommendation of the committee and proposal received from the stock exchanges, it has been decided to introduce call auction mechanism in pre-open session.
2. To begin with, pre-open session shall be introduced on a pilot basis by BSE and NSE for the scrips forming part of Sensex and Nifty. The list of scrips is placed at annexure 'A'. In case of any change in the composition of Sensex and Nifty, pre-open session shall be introduced for such incoming scrips. Pre-open session shall also continue for the scrips moving out of Sensex and Nifty, though they will not be reckoned for the computation of the index.
3. With effect from April 1, 2013 pre-open call auction session shall be applicable to all exchanges with active trading and for all scrips that are not classified as illiquid as per para 18.3 (1.2).⁶⁴
4. The pre-open session shall be for a duration of 15 minutes i.e. from 9:00 a.m. to 9:15 a.m., out of which 8 minutes shall be allowed for order entry, order modification and order cancellation, 4 minutes for order matching and trade confirmation and the remaining 3 minutes shall be the buffer period to facilitate the transition from pre-open session to the normal market.
5. The session shall close randomly during last one minute of order entry i.e. anytime between 7th and 8th minute of the order entry. Such random closure shall be system driven.
6. Limit orders and market orders shall be entered during the pre-open session and both shall be reckoned for computation of equilibrium price. No iceberg order will be allowed i.e orders shall be disclosed in full quantity.
7. Price band of 20% shall be applicable on the securities during pre-open session.
8. With effect from April 1, 2013 price bands in pre-open session shall be as applicable in the normal market.⁵⁷

⁶³ Circular No. CIR/MRD/DP/21/2010 dated July 15, 2010

⁶⁴ Circular No. CIR/MRD/DP/ 6/2013 dated February 14, 2013

9. In case the index breaches the prescribed threshold limit upon the closure of pre-open session, the procedure as prescribed in SEBI Circular Ref. No. SMDRPD/Policy/Cir-37 /2001 dated June 28, 2001 shall be applicable from the time continuous normal market opens.
10. The equilibrium price shall be the price at which the maximum volume is executable. In case more than one price meets the said criteria, the equilibrium price shall be the price at which there is minimum order imbalance quantity (unmatched order quantity). The absolute value of the minimum order imbalance quantity shall be taken into consideration.

Further, in case more than one price has same minimum order imbalance quantity, the equilibrium price shall be the price closest to the previous day's closing price. In case the previous day's closing price is the mid-value of a pair of prices which are closest to it, then the previous day's closing price itself shall be taken as the equilibrium price. In case of corporate action, previous day's closing price shall be the adjustable closing price or the base price.

Explanation: A scenario may arise, wherein; more than one price may have same minimum imbalance quantity. Example on the same is given hereunder:

Price	Buy (Qty)	Cum. Buy Qty	Sell (Qty)	Cum. Sell Qty	Unmatched Quantity	Vol. tradable
106		0	3000	8000	-8000	0
103	2000	2000	3000	5000	-3000	2000
96	3000	5000	1000	2000	3000	2000
94	1500	6500	1000	1000	5500	1000
92	2000	8500		0	8500	0
90	1000	9500		0	9500	0

In the said example 103 and 96 are the prices wherein, the volume tradable and unmatched quantity is the same. To derive the equilibrium price, the said prices i.e. 103 and 96 which is closest to the previous day's closing price

shall be considered. In case the previous day's closing price is 95, then, 96 may be considered as the equilibrium price. In case the previous day's closing price is 105, then, 103 may be considered as the equilibrium price. In case the previous day's closing price is 99.5 which is the mid-value of 103 and 96, then the equilibrium price shall be the previous day's closing price i.e. 99.5.

11. Pursuant to the discovery of price in the pre-open session, at the time of order execution, limit orders shall be given priority over market orders. The sequence for executing orders is given below:
 - a) Eligible Limit orders shall be matched with eligible limit orders.
 - b) Residual eligible limit orders shall be matched with market orders.
 - c) Market orders to be matched with market orders.
12. In case of pending unmatched orders in pre-open session, they shall be shifted to the order book of the normal market following time priority. Unmatched market orders will shift to the normal market order book as limit orders at a price as discovered in the pre-open session.
13. In case the equilibrium price is not discovered in the pre-open session⁶⁵:
 - a) Wherein, there are only market orders, the market orders shall be matched at previous day's close price and all unmatched market orders shall be shifted to the order book of the normal market at previous day's close price following time priority. Previous day's close price shall be the opening price.
 - b) Wherein, there are no market orders to be matched, all unmatched market orders (at previous day's close price) and limit orders shall be shifted to the order book of the normal market following price time priority.
14. The current risk management system for cash market shall be applicable to pre-open session.
15. All orders shall be checked for margin sufficiency at order level for inclusion in pre-open session.⁵⁷
16. The following information shall be disseminated during pre-open session:
 - a) Indicative equilibrium price of the scrip
 - b) Indicative cumulative buy and sell quantity of the scrip
 - c) Indicative Index

⁶⁵ Circular No. CIR/MRD/DP/32/2010 dated September 17, 2010

17. This framework for call auction shall be reviewed after 3 months from the commencement of the pre-open session.
18. The Stock Exchanges shall issue the necessary guidelines in this regard and shall put in place the necessary systems to ensure the operationalization of the above.

18.2 Call Auction in Pre-open session for Initial Public Offering (IPO) and Re- listed scrips⁶⁶

1. Duration of Session

7. Allocation

- (a) Minimum of 25% of the shares offered shall be reserved for mutual funds and insurance companies, subject to allocation methodology. Any unsubscribed portion thereof shall be available to the other bidders.
- (b) Minimum 10% of the offer size shall be reserved for retail investors. For this purpose, retail investor shall mean an individual investor who places bids for shares of total value of not more than Rs.2 lakhs aggregated across the exchanges. If the cumulative bid value across exchanges exceeds Rs.2 lakhs in the retail category, such bids shall be rejected.
- (c) The cut off price i.e. the lowest price at which the entire offer gets sold, shall be determined based on all valid bids. The cut off price shall be determined separately for bids received in the retail category and for bids received in the non-retail category.
- (d) Upon determining the cut-off price, the offer size reserved for retail investors shall be allocated to eligible bids of retail investors. Any unutilized portion shall be offered to non-retail category of investors. In case of excess demand in retail category at the cut-off price, allocation shall be on proportionate basis.
- (e) The orders shall be cumulated by the DSE immediately on close of the offer. Based on the methodology for allocation to be followed as disclosed in the notice, the DSE shall draw up the allocation. i.e. either on a price priority (multiple prices) basis or on a proportionate basis at a single clearing price.
- (f) No allocation will be made in case of order/ bid is below floor price.
- (g) No single bidder other than mutual funds and insurance companies shall be allocated more than 25% of the size of offer for sale.
- (h) The allocation details shall be shared by the DSE with the other exchanges after the allocation is crystallized.

8. (i) Settlement

- (a) The allocation and the obligations resulting thereof shall be intimated to the brokers on T day.
- (b) Settlement shall take place on trade for trade basis. For non-institutional orders/bids and for institutional orders with 100% margin, settlement shall take place on T+1 day. In case of orders/bids of institutional investors with no margin, settlement shall be as per the existing rules for secondary market.⁸³

⁸³ Replaced vide Circular No. CIR/MRD/DP/04/2013 dated January 25, 2013

- (c) Funds collected from the bidders who have not been allocated shares shall be released after the download of the obligation.
- (d) On T+1 day, to the extent of obligation determined, the clearing Corporation/ Clearing house of DSE shall transfer such number of shares to the clearing corporation/clearing house of the other stock exchange, without consideration of money. Excess shares, if any, shall be returned to seller broker(s). The direct credit of shares shall be given to the demat account of the successful bidder provided such manner of credit is indicated by the broker/bidder.

(ii) Handling of default in pay-in

- (a) In case of default in pay-in by any investor, 10% of the order value shall be charged as penalty from the investor and collected from the broker. This amount shall be credited to the Investor Protection Fund of the stock exchange.⁸⁴
- (b) The price at which allotments have been made based on the allocation on T day shall not be revised as a result of any default in pay-in.
- (c) Issuer shall have the option to cancel in full or conclude the offer.
- (d) Allotment details after settlement shall also be disseminated by the exchange.
- (e) Allocation details after settlement shall be consolidated by the DSE and excess shares, if any, shall be returned by the respective Clearing Corporation/ Clearing house to the seller(s) broker(s).
- (f) Settlement Guarantee Fund shall not be available for OFS through stock exchange mechanism.

9. Issuance of Contract Notes

The brokers shall be required to issue contract note to the client based on the allotment price and quantity in terms of conditions specified by the exchange.

10. Withdrawal of offer

The offer for sale may be withdrawn prior to its proposed opening. In such a case there will be a cooling off period of 10 trading days from the date of withdrawal before an offer is made once again. The stock exchange(s) shall suitably disseminate details of such withdrawal.

11. Cancellation of offer

⁸⁴ Replaced vide Circular No. CIR/MRD/DP/04/2013 dated January 25, 2013

 - a) The scheme shall have the prior approval of the Stock Exchange's Board and its implementation and outcome shall be monitored by the Board at quarterly intervals.
 - b) The scheme shall be objective, transparent, non-discretionary and non-discriminatory.
 - c) The scheme shall specify the incentives available to the market makers / liquidity providers and such incentives may include discount in fees, adjustment in fees in other segments, cash payment or issue of shares, including options and warrants.
 - d) The scheme shall not compromise market integrity or risk management.
 - e) The effectiveness of the scheme shall be reviewed by the stock exchange every six months and the stock exchange shall submit half-yearly reports to SEBI.
 - f) The scheme, including any modification therein or its discontinuation, shall be disclosed to the market atleast 15 days in advance.
 - g) Outcome of the scheme (incentives granted and volume achieved – market maker wise and security wise) shall be disseminated monthly.
 - h) The scheme shall comply with all the relevant laws.
2. Securities eligible for liquidity enhancement schemes - The stock exchange shall formulate its own benchmarks for selecting the securities for liquidity enhancement with the broad objective of enhancing liquidity in illiquid securities.
 - a) The stock exchanges shall introduce liquidity enhancement schemes on any security for a maximum period of three years. Once the scheme is discontinued, the scheme can be re-introduced on the same security

⁸⁵ Circular No. CIR/MRD/DP/14/2014 dated April 23, 2014

भारतीय प्रतिभूति और विनिमय बोर्ड Securities and Exchange Board of India

provided it is less than the three year period since the introduction of scheme on that security.

- b) Further, a stock exchange may introduce liquidity enhancement schemes in securities where liquidity enhancement scheme has been introduced in another stock exchange. Such schemes cannot be continued beyond the period of liquidity enhancement schemes of the initiating stock exchange.
 - c) The list of securities eligible for liquidity enhancement shall be disseminated to the market.
3. The incentives under liquidity enhancement schemes shall be transparent and measurable, and may take either of the following two forms:
- a) Discount in fees, adjustment in fees in other segments or cash payment - The incentives during a financial year shall not exceed 25% of the net profits or 25% of the free reserves of the stock exchange, whichever is higher, as per the audited financial statements of the preceding financial year.

भारतीय प्रतिभूति और विनिमय बोर्ड
Securities and Exchange Board of India

- a) All market maker / liquidity enhancer orders / trades should be identifiable by the stock exchange.
 - b) A conflict of interest framework shall be put in place by the stock exchange for the liquidity enhancement scheme. Such a framework shall provide for obligation on the part of the market maker / liquidity enhancer to disclose any conflict of interest while participating in the scheme. The same shall be disclosed by the stock exchange on their website.
6. This section shall not be applicable to securities listed on SME Platform or SME Exchange.

SECTION - 23: INTRODUCTION OF NEW TRADING SEGMENT

23.1 New Trading Segment⁸⁶

Introduction of any new trading segment on the exchanges would require stock exchanges to seek the prior approval of SEBI.

While applying to SEBI for the approval for the introduction of new segment, the exchange shall provide the information on the parameters for the new segment and also the rationale for introduction of the new segment.

23.2 Guidelines for Providing Dedicated Debt Segment on Stock Exchanges⁸⁷

1. The market for debt securities differs from equity markets in several ways such as risk, returns, liquidity, type of participants and method of trading. While publicly issued debt securities are listed, traded and settled in a manner similar to equity, privately placed debt is usually traded between institutional investors on 'Over the Counter' (OTC) basis. Such OTC transactions are mandatorily reported on reporting platforms at FIMMDA, BSE and NSE. The settlement for such transactions is different from that in equity markets or publicly issued debt securities.
2. Whereas the equity markets in India offer trading infrastructure comparable to the best available globally, the debt markets lack such infrastructure. In order to cater to the unique characteristics of debt markets, it has been decided to provide dedicated a debt segment on the stock exchanges.
3. The debt segment shall offer separate trading, clearing, settlement, reporting facilities and membership to deal in :
 - i. "debt securities" as defined in Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - ii. Government Securities, Treasury Bills, State Government loans, SLR and Non-SLR Bonds issued by Financial Institutions, municipal bonds, single bond repos, basket repos and CBLO kind of products subject to RBI approval, where required;
 - iii. Securitised debt instruments as defined in SEBI (Public Offer and Listing of Securitised Debt Instruments) Regulations, 2008;
 - iv. any other debt instruments as may be specified from time to time by the competent authority.

⁸⁶ Circular No. SEBI/MRD/SE/Cir-38/2003 dated October 8, 2003

⁸⁷ Circular No. CIR/MRD/DP/03/2013 dated January 24, 2013

भारतीय प्रतिभूति और विनिमय बोर्ड Securities and Exchange Board of India

4. An existing stock exchange or new stock exchange desirous of setting up debt segment may make an application to SEBI, providing operational, regulatory and any other necessary details.

5. The broad framework / features for debt segment shall be as under-

A. Listing: This segment shall list all the securities and debt instruments mentioned at para 3 above.

B. Trading:

- i. The debt segment shall offer electronic, screen based trading providing for order matching, request for quote, negotiated trades etc.
- ii. The trading facility may be provided using exchange network including using access methods such as internet trading, mobile trading or any other methods specified by SEBI.
- iii. The debt segment shall provide separate platforms for the markets described below -
 - a. Retail market - which shall be a market for listing of and trading in publicly-issued debt instruments and where participation by registered trading members can be on their own account or for execution of orders placed their clients.
 - b. Institutional market - which shall be a market for publicly and⁸⁸ non-publicly-issued debt instruments with a market lot size of minimum Rs 1 crore. For trading in smaller lot sizes of minimum rupees ten lakhs in respect of privately issued debt instruments in the institutional market, a separate odd lot window may be provided.⁸⁹
- iv. In addition to institutional investors, Direct Market Access (DMA) facility shall be extended to other investors to participate in Institutional market of debt segment. In this regard, the provisions as stipulated in SEBI circular MRD/DoP/SE/Cir- 7 /2008 dated April 03, 2008, MRD/DoP/SE/Cir- 03 /2009 dated February 20, 2009 and CIR/MRD/DP 20/2012 August 02, 2012 and modifications thereto shall be applicable.

• **Trading Rules:**

- The trading hours shall be from 9:00 hours to 17:00 hours to be in alignment with trading hours of government securities as issued by RBI.

भारतीय प्रतिभूति और विनिमय बोर्ड Securities and Exchange Board of India

- The day count convention of Actual/Actual shall be followed for calculating interest rates.
- The stock exchange shall facilitate availability of price quotes on clean price, dirty price and yield.
 - i. There shall be no shut period during which trades/ transfers are restricted for payment of interest or part redemptions. For other corporate actions such as redemptions/ put-call options, issuers may choose to specify a shut period.
 - ii. The record date shall be fixed not more than 15 days prior to date of corporate action which shall be displayed on trading terminal by stock exchanges.
 - iii. In case of negotiated trades by members of the debt segment, the trades shall be reported to stock exchange within 30 minutes of the trade.

C. Clearing and Settlement:

- i. All trades shall be cleared and settled through a clearing corporation. For this purpose, all trading members shall be self clearing members or may clear through a clearing member.
- ii. The settlement shall depend on the market type, as given below:
 - a. For institutional market: All trades shall be settled on T+1 rolling settlement on DVP-I basis using RBI RTGS account. Stock exchanges/clearing corporation may opt to provide clearing and settlement on DVP-II or DVP-III basis for this market in future and shall put in place appropriate risk management framework for the same.
 - b. For retail market: The trades shall be settled on T+2 rolling settlement on DVP-III basis with settlement guarantee.

D. Risk management framework:

- i. For retail market, a uniform margin rate of 10% shall be applicable on debt instruments with rating of AA or above (or with similar rating nomenclature) by recognized credit rating agencies and 25% for all other debt instruments.
